DIRECTOR'S NOTES

As we step into the auditory realm of *It's a Wonderful Life*, we are not merely entering a staging area, but a vintage radio sound stage where every word resonates with the timbre of times gone by, yet strikingly relevant to today. The quaintness of Buckingham converges with the timeless tale of George Bailey, brought to life not only visually, but through the medium of sound, enveloping us in a narrative that is as enduring as the human spirit.

In a time where our community navigates the waves of societal discord, economic uncertainties, and shifting cultural dynamics, the radio waves of *It's a Wonderful Life* come across like a breath of fresh air. Our venture is not just a nostalgic trip to the golden age of radio, but an exploration of the profound simplicities of human existence, a reminder of the ripple effect one individual can have in the lives of those intertwined around them.

As the ensemble breathes life into the citizens of Bedford Falls, each voice and live sound effect invites the audience into a vivid panorama crafted by imagination, underscored by the resonant clang of the bell, footsteps in the snow, and the heartfelt laughter and tears of our characters. The journey of George Bailey is not a solitary one but a shared expedition with each listener, transcending the radio waves to delve into the realms of despair, hope, and the realization of life's worth.

As we present this audio adventure, we're inviting you to do more than just listen. Come journey through the ups and downs of human emotions, reflect on the incredible value tucked away in 'ordinary' lives, and explore the endless impact we all can have. The camaraderie shared on and off-stage reflects the essence of community that cradles the narrative of George Bailey's self-revelation. *It's a Wonderful Life* is a tribute to the unseen, often unheard, yet profoundly felt threads of community and hope that bind us, especially in times that challenge the core of our shared humanity.

See a Show for Free!

Interested in seeing Town & Country shows for **FREE**? Each show requires a staff of five "Front-of-the-House" volunteers. We are always looking for **ushers** (to help people find their seats and pass out programs), **raffle sellers** (to offer patrons the opportunity to buy raffle tickets and win a prize), and **parkers** (to help direct patrons as they park in our parking field).

No prior experience is necessary as you will be trained before you're put to work. It's a great way to get to know T&C from the inside. The best part of these Front-of-the-House volunteer spots is that they earn you tickets to see our shows for FREE!! Visit the Town & Country website and choose "Volunteer" under the "Get Involved" tab for more information.

T&C WANTS YOU TO KNOW.....

Welcome to the Town and Country Players' 2023 Season. This season is our 76th season of bringing quality community theater to the Bucks County Area.

Last year, we celebrated our 75th Anniversary Season with a full schedule, including five mainstage productions, a One Act Festival, a 24-Hour Play Festival, a Ballet, and a Holiday Show. This year, we once again have a full calendar of events, with five mainstage shows, the return of our One Act Festival and Holiday Show, and a new-to-T&C Youth Musical this summer. In addition, we are continuing to offer our Youth Workshops this summer, and other workshops on all aspects of theater throughout the year.

But none of our productions would be possible without the having a location to perform in. This winter, we accomplished major upgrades in our space to both improve the patron experience and the quality of the product presented on stage.

The major upgrade this winter was a \$20,000 improvement to our front parking lot. As you may be aware, due to environmental concerns and the need to control storm water runoff, our parking areas are not paved, but grass covered. In general, this works well, but in times of heavy rain, can cause issues.

To address this, we installed environmentally friendly permeable pavers to stabilize the handicapped and front parking areas and improve the experience for our patrons. We were also able to significantly upgrade our electrical system in support of our stage lighting needs.

Of course, we never want to stop improving our unique facility. Our next planned capital improvement project is the installation of an ADA compliant handicap ramp to allow easier access to our facility for all. To get this ramp built, we will continue to rely upon the support of our patrons and donors to enable us to provide high quality community theater to all the residents of the Central Bucks area for many years to come.

In closing, I would like to thank all of our patrons, season ticket holders, Gold Patrons, and donors over the years. Your generosity has enabled us to keep the lights on, improve our infrastructure, and weather hard times.

Matthew Schultheis
President, Town and Country Players

T&C WANTS YOU TO KNOW.....

Town and Country Players along with collaboration from the *Growth Opportunity Center* in Southampton know that this time of year can be hard on many of us. Some of us, like George Bailey, might be feeling overwhelmed or trapped in an impossible situation.

George didn't feel like he had any other option besides ending his own life. We don't know what would have happened if he hadn't had a heavenly intervention by Clarence, but we can imagine that it wouldn't have had a happy ending.

Divine intervention is not a common occurrence, but luckily for us, therapy can be. If you're at the end of your rope and feel like you, too, have no other options, please don't lose hope and call one of the numbers below. A licensed therapist is ready to help you untangle the mess of thoughts in your head and give you back hope for a better future.
