DIRECTOR'S NOTE

"It was my teacher's genius, her quick sympathy, her loving tact which made the first years of my education so beautiful. It was because she seized the right moment to impart knowledge that made it so pleasant and acceptable to me"

-Helen Keller

"The best teacher in the world is someone who loves what he or she does and just loves it in front of you."

-Fred Rogers

In 1882, at the age of 19 months, Helen Keller contracted "brain fever" (probably scarlet fever or meningitis) that left her blind and deaf. She lived in a soundless, sightless world with little means of communication with any of her family. Existing like this for her first six years in her Alabama home she became frustrated and violent, until her teacher, Anne Sullivan came into her life. Keller says in her biography, *THE STORY OF MY LIFE*, that the day Anne Sullivan arrived is her "soul's birthday."

Few of us have had the experience of Keller in terms of being blind or deaf. However, all of us can relate to that person, perhaps a teacher, that awakened our own souls to learning something new. Who did it for you? Do you remember life 'before and after' this moment, as Keller describes?

THE MIRACLE WORKER, by William Gibson premiered on Broadway back in 1960, earning several TONY Awards, "best play." among those. While watching the show today and marveling at the tenacity of Anne Sullivan as she struggles with the young Helen, let us all be reminded of our own teachers we've had in this life. Like all good teachers, Sullivan had the ability to see beyond Helen's blindness and deafness and held high expectations for her pupil to learn the gift of language. Through Sullivan's teachings, Keller was able to later master not only English, but Greek, German and French languages. Keller became the first blind/deaf student to graduate cum laude from Radcliffe College and the first blind/deaf student to earn a Bachelors Degree from Harvard. With her teacher, Anne Sullivan at her side for the next 58 years of her life, Keller travelled the world as a gifted speaker and an author of 14 books.

It is my hope that you in the audience today will not only admire the special bond between Sullivan and Keller in play, but that you will also give a thought or two to the teachers you've had in your lifetime and the impact they had on your own lives. May we all strive to be lifetime learners as Helen was and possibly become inspiring teachers to someone as well.

Enjoy the show!

A NOTE FROM T&C'S PRESIDENT

Welcome to Town and Country Players' Theater in the Park Series. In cooperation with the Parks and Recreation Department of Buckingham Township, we are pleased to be able to present live theater to the Central Bucks County community once again.

Producing outdoor theater presents many new challenges for us, and I am thankful for the hard work of the production teams, casts, crews, and especially the many volunteers taking care of the myriad of other tasks required for our Theater in the Park Series to be a success.

I became president of Town and Country Players in January of 2020. While the challenges of leading a community theater during the past 18 months have been vastly different than what I expected at that time, I am proud of what Town and Country Players has been able to accomplish. While our stage was dark during these months, it was far from a year and a half without any activity.

With generous donations from our patrons, and hard work by our membership, we were able to produce eleven different Zoom productions, participate in food drives, hold youth workshops, and sing to and send cards to senior citizens and other home bound individuals in the Central Bucks area.

We have also commenced preparations for our 75th Anniversary Season in 2022. The 75th Anniversary Season will feature productions of *Guys and Dolls*, *A Streetcar Named Desire*, *The Sound of Music*, *Clue*, and *A Christmas Carol*, alongside several special events.

Additionally, it is my pleasure to announce our return to our stage at the barn. We will open our indoor season with *Deathtrap* opening on September 17th, *Young Frankenstein*, opening on October 22nd, a Cabaret event in November, and our annual Holiday Show in December.

Check our website at <http://townandcountryplayers.org> and/or follow us on social media for more information. We hope to see you there.

I would like to close by thanking our patrons and membership for their donations to, and support of, Town and Country Players this past year and am pleased to be able to see everyone in person again.

Matthew Schultheis
President
Town and Country Players

Make a Donation

Thank you for attending our 2021 Theater in the Park series. This past year has had a major effect on the theatre community across the country. Town and Country Players have had to rely on donations to keep our lights on even though our stage has been dark. We suggest a \$15 donation per person to attend this event. This is not a requirement but can help us continue to deliver quality theater to our community. Thank you to everyone who makes a donation! We could not do this without you!
