DIRECTOR'S NOTE

“Welcome to the Puffs! HI!!!!”

It's an absolute joy to be part of a live theatrical production. Thank YOU for playing the incredibly critical role of audience member. Thanks to Hansel Park for hosting us for this fabulous outdoor series. *Puffs* is here today through the hard work and dedication of 11 brilliant cast members, an unbelievably generous production team, and the unwavering support of the membership of Town and Country Players. This process has been an honor and a privilege and I welcome you all whole heartedly as we join in the magic of theatre together after our too long hiatus.

Thank you again for seeing this play. We hope you will enjoy our final outdoor production of *The Miracle Worker* next month, and join us this September back at the barn for the return of indoor theatre to our space.

All of my love to Evelyn - my daughter, and Carly - my wife and the inspiration of this production.

Jim is so happy you've come to see this outdoor production! If the audience has a fraction of the amount of FUN watching this show as Jim has had directing it - you're in for a great show. Jim is proud member and board member of T&C as well as the Manager of Poker Operations at Rivers Casino. Jim needs to thank his lucky stars to have found this amazing, supportive production team. He thanks his wife, Carly, for inspiring him to direct Puffs while she chases their toddler Evelyn around and prepares for the birth of their son this fall. This play is for them.

Sarah LeClair

Producer

She would like to thank the team for welcoming her with open arms (Puff hug!) and everyone involved with the show for bringing magic back into her life. Aviafors!

Janemarie Cloutier

Costumes/Properties

Janemarie wonders, are you one of those people who has a bunch of odd things lying around your house that you think might be "useful" someday? If so, you can build props and costumes for a show like *Puffs!* Janemarie is a recently retired teacher and recently returned member of T&C. She directed *Miss Woodhouse Presents* and will be directing *A Christmas Carol* in our 2022 season. Thanks to the cast and crew of *Puffs* for the fun challenges and laughter. Extra special thanks to Rob and Jack for always unloading my car full of flea market treasures and for putting up with me and my stuff.

Jonathan Knapp

Set Designer/Master Carpenter

Jon is overjoyed to be working again with the talented T&C company. In his 50 something years, he's worked onstage and backstage both professionally and just for fun. He acts, sings, dances, directs, designs & builds sets/props, makes balloon animals (ok...he doesn't dance or make balloon animals). He's very grateful to have a family that allows him to feed his passion. Jon dreams of one day finding an old theater and turning it into a barn.

Thank you for attending our 2021 Theater in the Park series. This past year has had a major effect on the theatre community across the country. Town and Country Players have had to rely on donations to keep our lights on even though our stage has been dark. We suggest a \$15 donation per person to attend this event. This is not a requirement but can help us continue to deliver quality theater to our community. Thank you to everyone who makes a donation! We could not do this without you!

T&C WANTS YOU TO KNOW.....

A Note From T&C's President

Welcome to Town and Country Players' Theater in the Park Series. In cooperation with the Parks and Recreation Department of Buckingham Township, we are pleased to be able to present live theater to the Central Bucks County community once again.

Producing outdoor theater presents many new challenges for us, and I am thankful for the hard work of the production teams, casts, crews, and especially the many volunteers taking care of the myriad of other tasks required for our Theater in the Park Series to be a success.

I became president of Town and Country Players in January of 2020. While the challenges of leading a community theater during the past 18 months have been vastly different that what I expected at that time, I am proud of what Town and Country Players has been able to accomplish. While our stage was dark during these months, it was far from a year and a half without any activity. With generous donations from our patrons, and hard work by our membership, we were able to produce eleven different Zoom productions, participate in food drives, hold youth workshops, and sing to and send cards to senior citizens and other home bound individuals in the Central Bucks area.

We have also commenced preparations for our 75th Anniversary Season in 2022. The 75th Anniversary Season will feature productions of *Guys and Dolls*, *A Streetcar Named Desire*, *The Sound of Music*, *Clue*, and *A Christmas Carol*, alongside several special events.

Additionally, it is my pleasure to announce our return to our stage at the barn. We will open our indoor season with *Deathtrap* opening on September 17th, *Young Frankenstein*, opening on October 22nd, a Cabaret event in November, and our annual Holiday Show in December.

Check our website at <http://townandcountryplayers.org> and/or follow us on social media for more information. We hope to see you there.

I would like to close by thanking our patrons and membership for their donations to, and support of, Town and Country Players this past year and am pleased to be able see everyone in person again.
